Strengthen Your Leadership & Improve Your Organization’s Progress
The International Federation of Dental Hygienists presents the 2021 IFDH Global Oral Health Summit, a one-day roundtable discussion featuring influential leaders and stakeholders in Oral Health, Public Health, Education, Research, Policy Makers and Industry - collaborating on the role of the oral health force globally.

This will be an exciting event that is sure to leave a significant and long-lasting impact on oral health strategies of our member associations to improve oral health globally.

**Roundtable Leaders Invited from:**

- **ACFF:** Alliance for a Cavity-Free Future
- **EOHF:** European Oral Health Platform
- **FDI:** World Dental Federation
- **IADR:** International Association of Dental Research
- **IFDH:** International Federation of Dental Hygienists
- **WHO:** World Health Organization
- Top Industry Executives of global Oral Health companies
  ...and chaired by IFDH.

**Topics for Discussion:**

(Preliminary)

- **ORAL HEALTH:** Who is doing what on improving oral health for Children, Adults and Seniors and where is it headed?
- **EDUCATION:** What is the proper education for hygienists and therapists? How do we adapt the role of the hygienist/therapist for their national needs, noting the worldwide differences?
- **RESEARCH:** What direction is research moving for disease prevention and the link between systemic health and oral health?
- **PUBLIC POLICY:** Understanding key oral health policy issues around the world, health economic aspects and the role we all can play.
- **SOCIAL RESPONSIBILITY:** What initiatives are underway, by individuals, organizations and government, and is it too much or not enough?

From this Oral Health Summit, will evolve policy recommendations in a multi-faceted statement on the importance of oral health, to be promoted in the media and all of our 31 countries.
